### **GROOMER REPORT:**

With the large amounts of snow in areas the DOT is cleaning some spots along the trail. Sometimes this creates a dangerous disruption on the trail. We are watching this closely in order to keep a safe passage for snowmobiles.

Sica Hollow still has broken trees on the trail from the ice and snow. We have permission to clear the obstructions so will get it done soon so we can open up that section.

Members need to make sure trail maps are available in local businesses.

### **OLD BUSINESS:**

Poker Run is on January 28 with the final stop in LTR. Door prizes will be picked up by Jeff (Sisseton), Tim (Claire City), Brian (Rosholt and New Effington). We will sell the 50/50 tickets again. We are expecting a large crowd and will need lots of help selling them, dealing and figuring the poker hands, or anything else that needs to be done.

Thank you to Lindsay for doing the posters and poker hand sheets.

We will meet Monday at 1:00 in Sica Hollow to clear the trees off the trail.

### **NEW BUSINESS:**

We are thinking of having a Youth Ride sometime in February. We could groom a round track by Scott's yard. We will look for some 120's for the smaller kids and maybe some little bigger ones for the older ones. More than likely would try for a Sunday afternoon.

We need to keep track of events we can enter in our charity report. Scott and Michelle have been taking care of this.

We will continue to operate our website. Sawyer Huff was asked if he would keep it updated. He is willing to do this. Thank you Sawyer.
